Miss Teen USA's Tips!

by Eva Chen October 22, 2009

So, since my judging stint for Miss Teen USA, I've kept in touch with the winner, the super-lovely Stormi Henley! LOVE her--she's so ridiculously nice... She recently took the time to answer some reader questions... Enjoy!

hughable@Teen_Vogue asks "what's your favorite facial scrub?"

"I do not scrub my face. I believe in washing in the morning and at night with plain old cold water!"

fashiongeek101@Teen_Vogue asks "how did you get into the whole Miss Teen USA thing? Do you enjoy it?"

"My mom saw an advertisement for the Miss Tennessee Teen USA competition on the internet and she asked me if I wanted to try it. So I went for it. But I wasn't looking to win, I just wanted the experience. And then I won!"

cialina@Teen_Vogue asks "who's your fashion icon?"

"I love Alessandra Ambrosio! She has a casual tomboy feel and is still beautiful. Believe it or not, I am not a girlie girl. I love to play golf, football, and soccer. I love getting dressed up for special occasions, but day-to-day I like being comfortable and looking my age."

ZziFkI@Teen_Vogue asks "what's your favorite accessory?"

"I love platform flip flops. I hope they never go out of style. You get comfort without compromising height!"

FOODIE4now@Teen_Vogue asks "why did you want to compete in the Miss Teen USA pageant?"

"I am very competitive and I love trying new things. The added bonus was that I had the opportunity to get dressed up! I love getting dressed up!"

enaysek@Teen_Vogue "what are your favorite clothes? What's your favorite color?!"

"My favorite color is dark brown. I love to find fun plain clothes that you can dress up with accessories. I also love going to thrift stores to find fun old treasures."

FernieZap@Teen_Vogue asks "what's your favorite brand of jeans to wear?"

"I love Sang Real jeans in a medium wash. They have lots of buttons! They also have these awesome cuffs."
